who have served 10, 15 and 20 years. A total of 31 employees received certificates of recognition from the Director of Training.

4. Special Instruction for Office of Logistics

Beginning in January 1970 a six-hour session on the writing of cables and dispatches will be presented to approximately 40 officers in OL. This training will be aimed primarily for personnel who are responsible for preparing cable and dispatch traffic between headquarters and the field.

5. DCI Meets With Graduates of the Midcareer Executive Development Course

In his closing remarks to the 22nd MEDC on 21 November 1969, the Director stated that there would be no Midcareer Course held during the summer months. He stated that his top staff members were either on vacation or "speaking at the Midcareer Course" during the summer season. We are rescheduling CY 1970 accordingly.

6. Training Costs Continue to Rise

Although we have had slight increases in many training programs during the past several months, one of the biggest increases will be in

Harvard's Program for Management Development. The coordinator of the Program recently advised us that the tuition for that particular Program has been increased from \$3,000 to \$3,600.

7. Training Notes

Three Agency employees are currently attending the Kings Point Seminar, Administration of National Security Policy. They represent OTR, NPIC and IAS. . . . Two Office of Finance careerists are currently attending the Civil Service Commission's Executive Seminar in Planning, Programming and Budgeting. This is a "live-in" course formerly conducted at the University of Maryland and now held at the Charter House Motel in Alexandria. . . . Two representatives from the Language School visited the language laboratory at Georgetown University to inspect a new tape machine. This machine has some of the features of the scribe audio-tutor with which we are experimenting. . . . OTR has finalized the two-day CIA program which would be a part of FSI's week-long course on Intelligence and Policy.

8. Outside Briefing

At Headquarters, to a group of 41 students and faculty members from Camden College, Blackwood, New Jersey on "Intelligence and CIA."
